THE 8000

PORTABLE SMART POS

ALL-IN-ONE ANDROID DEVICE

Future proof your point of sale by accepting any type of payment, from swipe or dip to tap or scan, while engaging users with a simple touch interface and full video capabilities. Running on a powerful Android-based OS, the AMP 8000 is open to customization and innovation, providing a platform to integrate payment with external applications. The 8000 has all the security and connectivity features of a traditional portable POS, with the latest payment technology acceptance like QR code scanning and support for virtual wallets.
